

Soar Playscript

Scene 1

[The scene opens at the park. MARA is on stage, kneeling down to wind the propeller on her brand new plane.]

Narrator: It was another beautiful, sunny day and Mara was out at the park, trying out her latest aircraft design.

[MARA stands up and pushes her plane]

MARA: (Whispering) Fly! Please, please fly!

[The plane dips and crashes, Mara walks over to the park bench]

MARA: Oh, I'll never do it! Why won't they fly? I don't understand what I'm doing wrong.

Narrator: Suddenly, a small, mysterious object hit Mara on the head.

MARA: (Rubbing her head) Ouch! What on earth...a tiny bag?

Narrator: From out of nowhere a tiny aircraft flew past Mara and crashed into a tree. At that moment, a miniature man dropped out looking worried.

LUCAS: (Breathless) Oh no, oh no, oh no! Where is it?

LUCAS: (Gasping and looking up) Oh my...a giant! Please don't hurt me! Stay back, stay back!
