

Ourselves EYFS Autumn 1

Communication and Language

Children will be encouraged to:

- Listen appropriately on the carpet and in assemblies
- Contribute to class and group discussions
- Give attention to the things other people say.

Physical development- negotiating space

Children will begin to develop their co-ordination skills and spatial awareness. Children will be working individually to move around space skilfully, negotiating obstacles where they appear.

Handwriting: We will begin our 'Funky Fingers' and 'Dough Gym' sessions shortly in which the children progress through the early skills for neat handwriting.

Expressive Arts and Design

Art: Creating self-portraits using a variety of different media including the computer, paint and pencils.

Literacy

This half term we will be learning:

- To recognise individual letters and know the sounds they make.
- To segment and blend the sounds in words orally.
- To write CVC words as labels and in lists.

Mathematics- number focus

This half term we will be learning:

- To recognise numbers to 20
- To count to and back from 20
- To order the numbers to 20
- To match numerals to quantities up to 10

Personal, Social and Emotional Development

This half term we will be focusing on our behaviour for learning. We will be:

- Learning the rules, boundaries and routines associated with school life.
- Trying to share and take turns with one another.

RE

This half term we will be focusing on:

- Respecting each other, respect adults
 - -Learning to say 'sorry'
 - -Know they are special within their family and community
- Experience and recognise prayer is talking and listening to God.

Understanding the World

ICT: Using iPads to take photographs of our friends.

People and Communities: Learning about the similarities and differences between ourselves and others.

Understanding the World: looking at the signs of autumn in the environment.
