

# Jungle EYFS

## Communication and Language

During all sessions we will continue to communicate freely with different people, engaging in conversations taking into account the listener and taking turns to listen and to speak in different contexts. We will also talk about and explain reasons for actions, events, activities, explaining our ideas giving reasons in different contexts.

## Physical development

In P.E. sessions we will build on the previous term's learning and we will continue to learn to travel in different ways. We will learn to jump, land and hop with developing control. We will also learn to balance on different body parts and balance using equipment. We will also learn how to complete side rolls and pencil rolls.

## Expressive Arts and Design

This half term we will learn about different artists from Africa. We will recreate different patterns, paintings and crafts using paper, paint and beads.

We will also learn about fruits from different countries. We will prepare fruit using a range of tools and equipment. We will taste a variety of different fruits and create our own fruity ice lollies.

## Literacy

This half term we will

- Read a range of stories and poems
- Discuss character's motivation, thoughts and feelings
- Talk about events and settings
- Write our own stories, postcards and recipes
- Learn how to read and write tricky words
- Continue to learn how to read and write different sounds

## Mathematics

This half term we will learn how to

- Double numbers
- Name 2D and 3D shapes
- Calculate two more and two less than a number
- Add two single digit numbers
- Subtract two single digit numbers
- Know the names of the days of the week.
- Say names of days of the week in order.
- Begin to learn the months of the year

## Personal, Social and Emotional Development

This half term we will be preparing to move into our new classes. We will talk about what we are good at and what we find difficult. We discuss how each person is unique and isn't perfect. We will discuss any worries or fears we have about moving class. We will also talk about what we are excited about and are looking forward to next year.

## R.E

This half term we will learn about Jesus' life in Nazareth. We learn about how he helped others and how we can help people today. We will also learn about Jesus' forgiveness and how we should try to forgive others.

## Understanding the World

This half term we will look at different regions within the continent of Africa. We will look closely at similarities and differences between these different places. We will learn about different ways of life and culture. We will study communities in both cities and rural areas.
