Mrs Charnley's Message: The West End had nothing on our Year 6 production of 'Peter Pan'. It has been a real treat to see all the children in Year 6 perform to such a high standard while supporting each other along the way. We did see the very best of you all. I know that you all enjoyed watching it at home with your families thanks to Mrs Lamoon and Mr Donaldson's wonderful recording.

What a Year! When we look back at the amazing camaraderie, patience and learning we should be very proud of all our achievements. Despite the constraints and ever changing governmental advice, we have had another amazing year. I hope you get time to see our year round up that gives only a snapshot of the wonderful year we have shared. I would like to take this opportunity to thank the staff on your behalf. Their hard work throughout this unprecedented year has been amazing. They always go that extra mile and more making school a fabulous place for children to thrive. I feel a sense of pride in all that we have achieved together and the wonderful memories that have been made. They would like to thank you for your generosity in appreciation of their hard work too. It is lovely to know how you value what they do. I would also like to thank our supportive Governors and Father Andrew for the hours that they have given to school too.

Planning for September: Going forward there still remains uncertainty as to how schools will operate in September. The government have now confirmed that they are planning to remove certain protocols from July and then August and have provided initial guidance with a caveat that schools still have to put in place their own risk assessment. This will always be subject to change, depending on the situation following the holidays. Some of the changes have worked well, especially at drop off and pick up times, so in September they will continue. We will be in touch about any other changes that may be needed once we know how things are over the summer and the guidance issued.

This time of year in school is always a time for goodbyes. We say au-revoir to our Year 6 leavers. We thank you all for your contributions to school life. I know you will have wonderful memories, not only of the last few exciting weeks in school but of your seven primary years.

I hope you all enjoy the summer holidays and we look forward to seeing you in September ready for the new academic year.

Mrs Charnley and the Staff of Saint Clare's.
