### Mrs Charnley's Message:

Wow! What an amazing night we shared at this year's 'Let's Go Sing!' Concert at Ewood Park. The children were amazing and I can confidently say that we have never sung with so many in a football stadium. The children really enjoyed the concert and they sang with such confidence which is such a welcome opportunity after the last couple of years. We have certainly made memories that will last a life time.

Can I make a plea for parking at the end of the school day? There are some parents who are parking at the exit gate so they can leave easily, however, this makes it dangerous and difficult for everyone else. If we are kind, considerate and patient to everyone you will all leave safely for the sake of two or three minutes in a day.

May Procession will be next week and we are looking forward to welcoming parents to come and join us. This year we are going to make flowers in school for our procession, we know that there is very little in the garden as yet for the children to bring and we do not want families to bear the cost of cut flowers. We hope to raise money to help the Red Cross in their work to support families affected by the war in Ukraine, which you can do through our Just Giving page.

We hope you have a lovely Bank Holiday Weekend whatever the weather brings – I know that we have been enjoying the spring sunshine but I suspect it is going to be mixed this weekend.
