Mrs Charnley's Message: My goodness time really is flying by! We've had a lovely three weeks back at school with so many exciting learning opportunities. Watching the children strive to reach their challenging targets has been inspiring. Our Year 6 children are really stretching themselves as they prepare for their assessments; there is so much problem-solving going on! At the other end of the school, it has been a complete joy to read such descriptive independent writing about minibeasts after their visit from the Bug Lady.

Year One and Year Two children are also making such progress with both their storytelling and reading. It was lovely to spend a little time today seeing just how well our Year 1 children could predict, and then turn these predictions into ideas and finally writing. This love of ideas and words is such a solid foundation on which to build. Thank you too, for spending time practising these skills at home - it truly is the best gift that you can give to your little ones - and it lasts forever!

Well done to Cherry and Elder class for visiting Sharoe Bay Court as you entertained the residents with your wonderful singing. I know the residents really enjoyed listening to the songs from the Let's go Sing concert last week.

Let's hope that the weather stays with us this afternoon as we worship Our Lady with our May Procession. Everyone is welcome to join us this year, which we are all delighted about as it does feel that things are returning to what we love and remember. I know that we are making flowers in school so please try and contribute to our just giving page as we hope to support the Red Cross with their work in Ukraine.

Donations can be made via our just giving page <https://www.justgiving.com/fundraising/st-clare-s-catholic-primary-school4>

I hope you all find your little piece of sunshine this weekend and God Bless.

Mrs Charnley and the Staff of Saint Clare's.

Our Weekly Mission - Below is our weekly mission - a small way of putting into practice the gospel values. We believe we are called to live our lives differently because of what we have experienced and prayed about. What we offer as the 'mission' is a suggestion of how we can all do just that.

Recognise Jesus Everywhere

Mission

We can recognise Jesus when we see him working in others.

Make a list of all of the times you recognise the love of Jesus in the kindness of others.

...and don't forget to say thank you to them.

Jubilee Party - We will be having a jubilee party on Friday 27th May. Children can come in red, white and blue party clothes ready for proms on the playground.

Year 6 Leavers Hoodies
- Year 6 children have been sent home with a proof of the leavers hoodie. To place an order please make payment via ParentPay . Please check the proof and if any amendments please return to school.
Many Thanks

Cake Sale - The student council are organising a cake sale for ACN on Friday 13th May. Weather permitting, tables will be set up outside on the playground and cakes will be on sale from 3pm. Many thanks

Library Visits - Throughout the Summer term each class will be visiting Fulwood Library. The children will have the opportunity to explore the library services, share stories, as well as complete book related activities.
