Mrs Charnley's Message:

My goodness, another very busy week but one full of fun, laughter and such joy! Monday saw all the children spending time with their new teacher in September. We do have so much to look forward to. Reports will go out today and will include various pieces of information for next year. Please spend some time looking at the information included so that you can celebrate the year but also look ahead to September.

It is said that music is the language of the heart and you only have to walk through school at the moment to know this is true. Every song heard from the hall as all the cast of Hoodwinked raised their voices with such enthusiasm, brought a smile to your face; you couldn't fail to sing along and tap those feet. It's such a wonderful story too, one which makes you really consider what is important in life. Such poignant scenes which get you thinking about yourself and the actions you take. Congratulations to the children in Oak class as you have certainly entertained the whole school community.

By Thursday the weather was with us and we were able to have a fantastic time with our sports day. The children had so much fun and it was great to see parents joining us. Congratulations to Rigby house who won the sports trophy this year. There will be a mini movie for you to enjoy on the website of the highlights.

We are definitely running out of time this term but we are keeping busy until the end, trying to fit everything in! Please can you help us by responding to messages about unpaid dinner money etc - it does so help.

Let's not forget the PTFA Rainbow Raffle. Tickets are available on ParentPay at £1 per ticket. You have to be in it to win it!

Next week as our last week promises to be just as busy as this so rest up everyone over the weekend.

Mrs Charnley and the Staff of Saint Clare's.

Our Weekly Mission - Below is our weekly mission - a small way of putting into practice the gospel values. We believe we are called to live our lives differently because of what we have experienced and prayed about. What we offer as the 'mission' is a suggestion of how we can all do just that.

Sending Out The 72

Mission

Just like the 72 followers in the Gospel, Jesus is sending you out to do his work.

Make an extra special effort this week to bring peace to your home and school. You can create a place for Jesus to come and meet people.

Forest Schools - We are looking for volunteers to help with Forest Schools from September. If you are able to help please email bursar@st-clares.lancs.sch.uk advising what day you would be available.

Also if anyone has any large pond nets, gardening gloves, large watering cans and strong gardening brushes which they are looking to get rid of Forest Schools would greatly appreciate them
Many Thanks

Disabled Bay—Please could we kindly ask that when dropping off and picking children that the disabled bay is left free for those who may need to use it. Many Thanks

Year 5 Corpus Christi Visit

Year 5 are visiting Corpus Christi on Monday 11th July for a Year 5 taster day. We will be there all day, so all children will need a packed lunch and a water bottle. We will be walking down, so your child may need a rain coat - weather depending.

Many thanks

Mrs Bridgeman.

PLANET savers

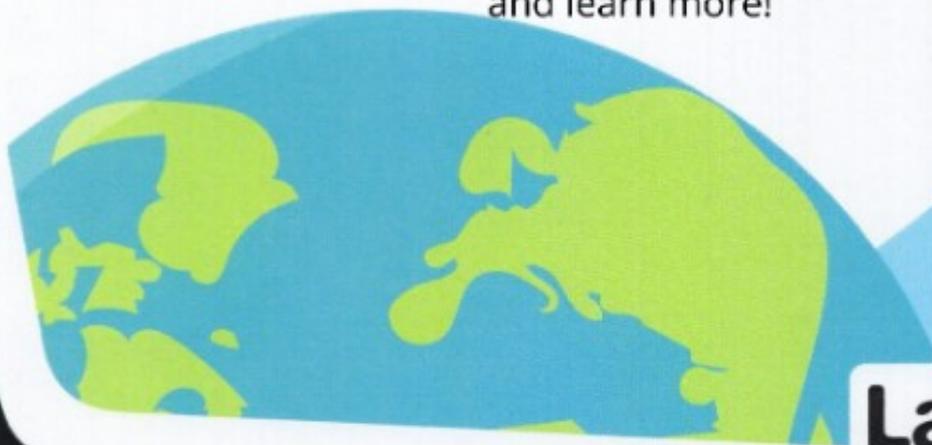

Launching 2nd July!

This summer, Lancashire Libraries Summer challenge, SCART club, is back with a difference! In 2022 we will be focussing on making an impact on the world and protecting our planet.

To join, children can simply pop along to Fulwood library and collect their activity pack which also includes a free admission to one of Lancashire County Council's Museums.

To complete the challenge, each child has until October to read 5 books of their choice and to complete 3 activities (either at home or supported by events at Fulwood Library).

Come along to Fulwood Library to collect your packs and learn more!
