Mrs Charnley's Message:

Oh my goodness how time flies! I can't believe we are on our final day; where has the year gone? As always at this time, it was lovely reading every child's end-of-year report to see just how much progress they have all made. I have been so impressed this year with many of our children who have worked hard, enthusiastically embraced each learning opportunity, and taken themselves on a journey of self-discovery. There is so much to celebrate in every year group and I'm sure, like us, you are very proud of your children.

Once again, our Year 6 children as a whole group have exceeded the school targets set for them, with the majority of children achieving the expected standard for the year group; with some working at a greater depth, please have a look at the percentages on the next page. We are incredibly proud of them all. Watching them continue to support the school demonstrates just how far they've travelled. They have all given their absolute best and as we always tell them; their best is always good enough. We also wish Miss McCann, Mr Hudson, Mrs Day and Fr Andrew all the best as they move to pastures new. We have been very privileged to have had them part of our school community.

It has been a delight to have seen the children enjoy taking part in a wide variety of wonderful opportunities throughout the year. The children have gone from strength to strength. Seeing them perform at Blackburn Music Festival, compete and win in many sports activities, survived an Ofsted and celebrated the Queen's Jubilee in style.

This has been a very busy and successful year and one we should all be proud of. May I take this opportunity to thank staff, on your behalf, for all their hard work throughout the year. They would like to thank you for your generosity in appreciation of their hard work too. It is lovely to know how you value all they do. I hope you all enjoy the summer holidays and we look forward to seeing you in September ready for all that the new academic year brings.

God Bless,

Mrs Charnley and the Staff of Saint Clare's.

Diary Dates

15th July - School Closes at 1:30pm for summer

5th September—School re-opens

Our Weekly Mission - Below is our weekly mission - a small way of putting into practice the gospel values. We believe we are called to live our lives differently because of what we have experienced and prayed about. What we offer as the 'mission' is a suggestion of how we can all do just that.

Mary and Martha

Mission

Nothing is better than spending time with Jesus.

Find a quiet place and be with Jesus in prayer, listening to his voice and talking with him.

Forest Schools - We are looking for volunteers to help with Forest Schools from September. If you are able to help please email bursar@st-clares.lancs.sch.uk advising what day you would be available.

Also if anyone has any large pond nets, gardening gloves, large watering cans and strong gardening brushes which they are looking to get rid of Forest Schools would greatly appreciate them
Many Thanks

Disabled Bay—Please could we kindly ask that when dropping off and picking children that the disabled bay is left free for those who do need to use it. Many Thanks

What amazing results from the children at the end of their time here at Saint Clare's. Despite the pandemic and two years with breaks in their time in school they have still excelled and as a school we are above the national. Fantastic!

PLANET savers

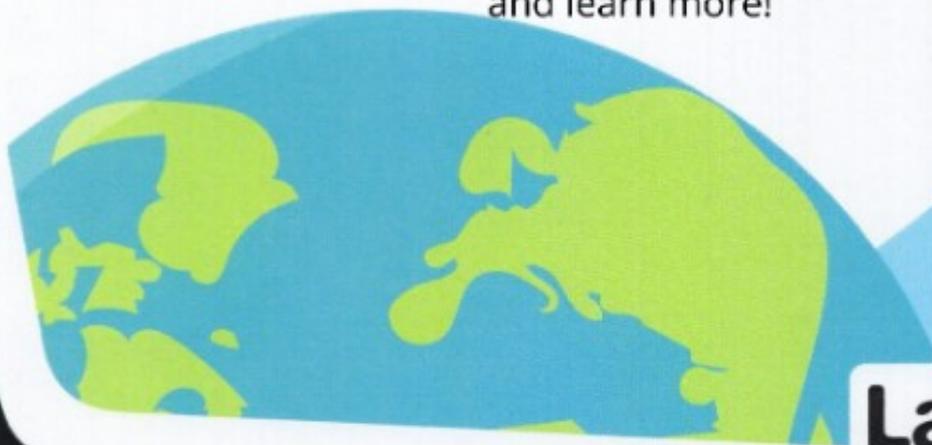

Launching 2nd July!

This summer, Lancashire Libraries Summer challenge, SCART club, is back with a difference! In 2022 we will be focussing on making an impact on the world and protecting our planet.

To join, children can simply pop along to Fulwood library and collect their activity pack which also includes a free admission to one of Lancashire County Council's Museums.

To complete the challenge, each child has until October to read 5 books of their choice and to complete 3 activities (either at home or supported by events at Fulwood Library).

Come along to Fulwood Library to collect your packs and learn more!
